

Groton/Dunstable Scouting “Social Networking the Old Fashioned Way”

Kids – are you looking for something to do? Something that allows you to play sports, go camping, and help others all while having fun?

Parents – are you looking for something that is both fun and safe for your children to do in today’s environment*?

Well, we at Groton/Dunstable Scouting have the answer for you. In today’s environment with so many extracurricular activities either postponed or downright cancelled, scouting in Groton is here to help. For over 100 years, Scouting in the US has provided programs for youth of all ages that teach not only outdoor skills, but also core values such as leadership and citizenship. Youth in Scouting gain valuable experience in:

- Core values such as leadership, citizenship, community service
- Outdoor skills (hiking, camping, preparedness, safety, plant/animal identification, etc.)
- Many areas of STEM including chemistry, robotics, electronics, computers, etc.
- Independence and skills revolving around problem solving - what to do when something unexpected happens

Sign-ups for Scouting are year-round, but the beginning of the school year is a great time to start. If your son or daughter is between the ages of 5 and 20 and you are interested in getting more information about Scouting or are ready to sign up, please check us out at www.gdscouting.org.

Thank you,

The parent volunteers of Groton/Dunstable Scouting

*All scouting units strive to follow all federal, state, and local guidelines as well as the guidelines from their own programs in regards to covid-19 safety. These include, but are not limited to, use of masks, socially distanced and/or teleconference meetings, use of hand sanitizer, etc.
