Food Truly Does Equal Hope!

Loaves & Fishes' mission is to provide nutritious food, in an atmosphere of kindness and respect, to individuals in need who reside in Ayer, Devens, Groton, Harvard, Littleton and Shirley.

You Can Make A Difference

Many of our neighbors choose between heating their homes, buying medications or feeding themselves and their families. The Groton Neighborhood Food Project is a great way to help those struggling by providing a reliable source of most needed items to Loaves & Fishes for distribution. Your contribution means so much!

“Our clients are the children, the elderly, the families and the disabled. They are the people you pass at the grocery store, in the library, or at the gas station. They are the senior citizens making the difficult decisions about whether to spend their limited income on heating their homes, purchasing necessary medications or buying food. They are the single parents struggling to feed their children. They are veterans who proudly fought for our freedom and are now dealing with physical, emotional and financial challenges. They are the families that once led comfortable lives and are now faced with job loss and health issues. They are our neighbors.

The Groton Neighborhood Food Project plays an important role in supporting the Food Pantry. Not only do they contribute a significant and consistent amount of much needed food, they also help raise awareness to the urgent need in the communities we serve.”

— Patty Stern

Executive Director, Loaves & Fishes Food Pantry
