## Military Family Status for Students

In May 2012, as part of the VALOR Act, Massachusetts became a member of the Interstate Compact on Educational Opportunity for Military Children. The Compact aims to make the transition to a new school easier for military children in areas such as enrollment, assessment, graduation, etc. The provisions of the Compact also apply to students whose Parent/Guardian is currently deployed, or who was discharged from active duty due to a disability, or died while on active duty within the past year. For more information, please visit: [www.mic3.net](http://www.mic3.net).

In accordance with the new Massachusetts Department of Elementary and Secondary Education reporting requirements, we are now required to report on the Military Family Status of our students annually.
